

reimbursement methodology. For hospital services, the Division shall use the latest audited cost reporting data available, supplemented by additional financial information available to the Division if and to the extent that the Division concludes that the information is reliable and relevant, when establishing rates or when making changes to the reimbursement methodology.

SECTION 10.19.(w) The Department of Health and Human Services, Division of Medical Assistance, shall implement a new coding system for therapeutic mental health services as required by the Health Insurance Portability and Accountability Act of 1996. In implementing the new coding system, the Division shall ensure that the new coding system does not discriminate between providers of therapeutic mental health services with similar qualifications and training. In meeting the requirements of this subsection, the Division shall consult with the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services and the professional licensing boards responsible for licensing the affected professionals.

SECTION 10.19.(x) The Department of Health and Human Services may apply federal transfer of assets policies, as described in Title XIX, section 1917(c) of the Social Security Act, including the attachment of liens, to real property excluded as "income producing", tenancy-in-common, or as nonhomesite property made "income producing" under Title XIX, section 1902(r)(2) of the Social Security Act. The transfer of assets policy shall apply only to an institutionalized individual or the individual's spouse as defined in Title XIX, section 1917(c) of the Social Security Act. This subsection becomes effective no earlier than October 1, 2001. Federal transfer of asset policies and attachment of liens to properties excluded as tenancy-in-common or as nonhomesite property made "income producing" in accordance with this subsection shall become effective not earlier than November 1, 2002.

SECTION 10.19.(y) When implementing the Supplemental Security Income (SSI) method for considering equity value of income producing property, the Department shall, to the maximum extent possible, employ procedures to mitigate the hardship to Medicaid enrollees occurring from application of the Supplemental Security Income (SSI) method.

SECTION 10.19.(z) Unless required for compliance with federal law, the Department shall not change medical policy affecting the amount, sufficiency, duration, and scope of health care services and who may provide services until the Division of Medical Assistance has prepared a five-year fiscal analysis documenting the increased cost of the proposed change in medical policy and submitted it for Departmental review. If the fiscal impact indicated by the fiscal analysis for any proposed medical policy change exceeds three million dollars (\$3,000,000) in total requirements for a given fiscal year, then the Department shall submit the proposed policy change with the fiscal analysis to the Office of State Budget and Management and the Fiscal Research Division. The Department shall not implement any proposed medical policy change exceeding three million dollars (\$3,000,000) in total requirements for a given fiscal year unless the source of State funding is identified and approved by the Office of State Budget and Management. The Department shall provide the Office of State Budget and Management and the Fiscal Research Division a quarterly report itemizing all medical policy changes with total requirements of less than three million dollars (\$3,000,000).

SECTION 10.19.(aa) The Department of Health and Human Services, Division of Medical Assistance, shall convene a work group to review the current Medicaid standards for vision screening for Medicaid-eligible children to determine whether the standards are meeting the vision needs of these children.
